

ST JAMES'S SPANISH PLACE
PARISH APPEAL

Support Our Parish Appeal

St James's Spanish Place is a unique spiritual oasis in the heart of Marylebone, and has an exceptional musical tradition. The Parish urgently needs £500,000 to refurbish the church organ, and to upgrade its inadequate heating facilities. So many of us love this place from the bottom of our hearts. It is central to our lives. Please help our parish appeal to maintain this church in all its devotion and its beauty.

The heating system in the church is several decades old, and no longer fit for purpose. Parishioners currently attend winter services in less-than-ideal conditions.

Our organ was built by Alfred Hunter of Clapham, and is widely regarded as one of his finest. Tonally unaltered since its installation, it is an unspoilt, large instrument in a particularly excellent acoustic. The last major work done on the organ was in 1982 and the time has come to have another major restoration. Years of pollution, candle smoke, incense and dust

have taken their toll – and some mechanical parts have suffered wear and tear and need replacing. Restoration work on the organ will help safeguard the future of the church's magnificent musical tradition, with its outstanding organ and professional choir.

The positioning of the organ in the north transept also makes it ideal for concerts, being placed near performers at the front of the church, and the collaboration with Wigmore Hall makes its use reach an even wider audience.

We urgently need your help to raise **£500,000** for essential capital spending on an **upgraded heating system** and the **organ refurbishment**. Every donation, large or small, will help us. **Thank you!**
